

DVD ORDERING INFORMATION
2011 Tournament of Destruction :: Round 5

Team Demolition Derby uses DVD-Rs for all DVD projects. We cannot guarantee that our DVD-Rs will play in all DVD players. In an effort to prevent any disappointment in our product, we have provided the following guidelines to help ensure proper playback.

1. Use a DVD player manufactured within the last few years.
2. Use a name brand DVD player such as Sony, Pioneer, Panasonic, XBOX, PS2, etc.
Try multiple players if you encounter problems.
3. Computer playback will vary depending on your system, software player, and DVD drive.

Blu-Ray Disclaimer: Functionality of Team Demo DVDs in Blu-Ray machines is not guaranteed. It is stressed that you DO NOT use a Blu-Ray Player to view our DVDs.
